Etude Selector Video Performance Guide

Percussion - Snare Selection 1

Etude Title: *No. 14*

Page(s): 17

Tempo: Quarter Note = 140–150

Play from beginning to end.

Errata:

In addition to the written dynamic markings please add the following: (see a pdf attached)

ms. 9 - 12 - piano

ms. 13-16 - mezzo-forte as marked

m. 17 – diminuendo to piano and

m. 18 – crescendo to forte

ms. 19-25 - forte

m. 26 – subito piano until

m. 33 – crescendo for 2 bars to

m. 35 – mezzo forte until

m. 39 – subito piano on the roll and crescendo to fortissimo to finish the etude!

Performance Guide:

This quick tempo etude is challenging but fun to play. The rolls are short and mostly connected/tied except for m. 22. In m. 22 each roll should be performed with a slight separation and no articulation at the end. Pay attention to patterns where there are triplets and 3 eighth notes that are not triplets such as mm. 9 and 10. Use your metronome to be precise! Carefully check the ties marked in m. 18.

Percussion - Keyboard (2 Mallet) Selection 1

Etude Title: XXV

Page(s): 83

Tempo: Dotted Quarter Note = 56–64

Play from beginning to end.

Errata:

None at this time.

Performance Guide:

This etude should be felt in one (dotted quarter note). When you are first learning it however, set your metronome to a slower eighth note tempo. Stickings throughout should mostly be alternated but be sure to work through them thoroughly. Write them in if necessary. Most of the stickings provided work well.

None of the rolls are tied but be sure to give them full value. Lift off to play the next measure in time. Do not roll unless indicated. For example, mm. 21-23, 32, 33, and 35 have ties but no rolls.

The etude is in f minor but be aware of the many accidentals though-out. I recommend using medium to medium-hard yarn marimba mallets for this etude.

Etude Selector Video Performance Guide

Percussion - Keyboard (4 Mallet) Selection 1

Etude Title: *Sojourn*

Page(s): 18-19

Tempo: Dotted Half Note = 48-54

Play from beginning to end.

Errata:

None at this time.

Performance Guide:

There are double lateral and vertical strokes throughout this piece. Be sure to lift off the bars always, but especially for the double verticals so that you produce a full sound. Choose some warm-up exercises that focus on these strokes. The right-hand double laterals are tricky from mm. 41 – 48 because of the interval changes and hand positioning. Work through these measures slowly and make sure you are striking in an appropriate beating spot. (for example, do not strike over the nodes/rope) Balance your hands so that the melody is always present. Except for a few measures it is in the right hand. Mm. 66 – 69 use double lateral strokes in both hands with a tricky pattern. Practice these measures thoroughly and remember the melody is still in the right hand.

The stickings provided work well. Suggested sticking for mm. 51 – 54 is either:

m. 51 - 1,2,3,2,3 etc. or m. 51 – 1,3,2,3,2 etc. (mallets left to right are 1,2,3,4)

Whichever sticking you choose it is important that you are comfortable landing on m. 55 to smoothly transition to the return of the A (beginning) section.

Check out the key changes and dynamic markings throughout. Play the rolls in mm. 70 and 71 full value but notice they are not tied together.

Have fun with this piece. Make it dance and feel like a waltz!

Percussion - Timpani

Book Title: *Musical Etudes for the Advanced Timpanist*

Etude Selector Video Performance Guide

Percussion - Timpani Selection 1

Etude Title: *Four Drum Etude #1*

Page(s): 27-28

Tempo: at m. 19 - dotted Half Note = 68–70; Tempo at m. 44 - dotted quarter note = 104 - 110

Play from m. 19 to end.

Errata:

m. 42 - fermata at least 2 measures long but no longer than 3 measures long;

G.P. (grand pause) is to be 6 measures long.

Performance Guide:

A standard set of 4 timpani should be used for this etude. (for example, 32", 29", 26", 23")

I highly recommend that you sit on a timpani stool or something similar, while performing this etude.

Beginning tunings at m. 19 from low to high are E, G, C, and E. Only roll where marked and dampen where it musically makes sense for example, m. 58 during the rests/tuning.

Play the fermata at m. 51 at least 2 measures long, but no more than 3. The G.P. (grand pause) should last 6 measures long to allow for tuning. I suggest placing either your left or right foot (just one please!) on a pedal way before m. 42 in order to be ready for the quick tuning changes. Note the completely new tempo and time signature at m. 44. Again, have your foot on the 29" drum ready to tune prior to m. 58 and the same on the 26" drum before m. 67. Practice hearing all of the pitches and changes at a keyboard so you can sing through them. Always approach the timpani as a melodic instrument.

The time signature changes at m. 71 but the big beat stays the same. The dotted quarter note equals the quarter note. Do not push this tempo! This next section is technically difficult.

Stickings throughout this etude require some thought. I do not recommend any cross-sticking in this piece. However, there is a lot of double sticking needed. When moving between drums I prefer a double stroke that is moving inward, rather than out. For example, in measures 80 – 83 the sticking I recommend is right, right, left, left. In measures 93 and 94 it okay to use left, right, right, left, left, right, right as your sticking pattern. Strive to consistently strike in the same good beating spot. No matter what sticking or grip you are using, please lift off the drum. The sound you produce matters!

Mm.84 – 92 the dynamic marking is only mezzo-forte. Do not overplay the accent patterns.

I recommend a semi-articulate pair of mallets for this etude.

This Etude is in 10/8 time, which is an enlarged 5/4. However, instead of five beats in a measure it has four beats which are broken down into combinations of the following: $10/8 = \text{quarter note} \text{ quarter note} \text{ quarter note} \text{ quarter note}$. The 9/8 time signature, instead of three beats, is enlarged to a four beat combination of the following: $9/8 = \text{quarter note} \text{ quarter note} \text{ quarter note} \text{ quarter note}$.

$\text{♩} = 152$ 140-150

Musical staff 1: Bass clef, 10/8 time signature, starting with a forte (*f*) dynamic marking.

Musical staff 2: Bass clef, 10/8 time signature, starting with a boxed measure number 4 and a triplet of eighth notes.

Musical staff 3: Bass clef, 10/8 time signature, starting with a boxed measure number 7 and a piano (*p*) dynamic marking.

Musical staff 4: Bass clef, 10/8 time signature, starting with a boxed measure number 10 and a piano (*p*) dynamic marking.

Musical staff 5: Bass clef, 10/8 time signature, starting with a boxed measure number 13 and a mezzo-forte (*mf*) dynamic marking.

Musical staff 6: Bass clef, 10/8 time signature, starting with a boxed measure number 16 and a piano (*p*) dynamic marking.

Musical staff 7: Bass clef, 10/8 time signature, starting with a boxed measure number 19 and a forte (*f*) dynamic marking.

Musical staff 8: Bass clef, 10/8 time signature, starting with a boxed measure number 23 and a piano (*p*) dynamic marking.

Musical staff 9: Bass clef, 10/8 time signature, starting with a boxed measure number 27 and a piano (*p*) dynamic marking.

Musical staff 10: Bass clef, 10/8 time signature, starting with a boxed measure number 31 and a piano (*p*) dynamic marking.

Musical staff 11: Bass clef, 10/8 time signature, starting with a boxed measure number 35 and a mezzo-forte (*mf*) dynamic marking.

Musical staff 12: Bass clef, 10/8 time signature, starting with a boxed measure number 39 and a piano (*p*) dynamic marking.

$\text{♩} = 56-64$

XXV

Allegro

Musical score for XXV, Allegro, 8 staves. The score is written in treble clef with a key signature of two flats (B-flat and E-flat). The time signature is 4/8. The music consists of a single melodic line with various rhythmic patterns, including eighth and sixteenth notes, and rests. There are several dynamic markings, including *mf* and *f*. A red bracket is placed under the fifth staff, and another red bracket is placed under the eighth staff.

XXVI

Moderato

Musical score for XXVI, Moderato, 3 staves. The score is written in treble clef with a key signature of three sharps (F#, C#, G#). The time signature is 4/8. The music consists of a single melodic line with various rhythmic patterns, including eighth and sixteenth notes, and rests. There are several dynamic markings, including *mf* and *f*.

Sojourn

$\text{♩} = 48 - 54$

$\text{♩} = 48 (\text{♩} = 144)$

Musical staff 1, starting with a red bracket on the left. The staff contains a treble clef, a key signature of three flats (B-flat, E-flat, A-flat), and a 3/4 time signature. The music consists of a series of chords and single notes. Fingerings are indicated as 1, 2, 2, 1. The dynamic marking is *p*.

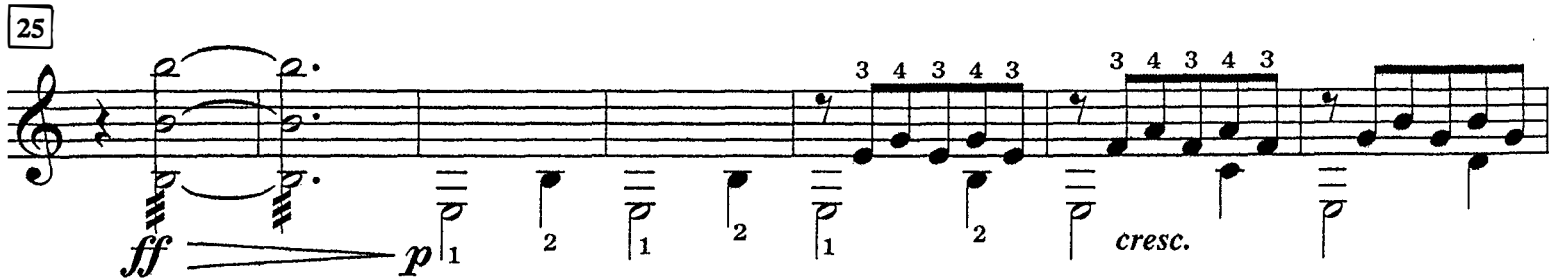

Musical staff 2, starting with a boxed measure number 7. The staff continues the musical piece with a treble clef, three flats, and 3/4 time. The music features chords and single notes. A dynamic marking of *mf* is present towards the end of the staff.

Musical staff 3, starting with a boxed measure number 13. The staff continues the musical piece with a treble clef, three flats, and 3/4 time. The music features chords and single notes.

Musical staff 4, starting with a boxed measure number 19. The staff continues the musical piece with a treble clef, three flats, and 3/4 time. The music features chords and single notes. A dynamic marking of *mp cresc.* is present.

Musical staff 5, starting with a boxed measure number 25. The staff continues the musical piece with a treble clef, three flats, and 3/4 time. The music features chords and single notes. Fingerings are indicated as 1, 2, 1, 2, 1, 2. A dynamic marking of *ff* is present, followed by a crescendo leading to *p*. The word *cresc.* appears at the end of the staff.

Musical staff 6, starting with a boxed measure number 32. The staff continues the musical piece with a treble clef, three flats, and 3/4 time. The music features chords and single notes. A dynamic marking of *mf* is present, followed by a *dim.* (diminuendo) and then *p*.
